Very serious watch

It's over

So King, I have little issue and I need your help:
As soon as you and I close the financial issue for these two watches (Mile and AP 44mm), I transfer money to Europe and that watch immediately leaves.

P.S. - Dealers don't send watches without money. Unfortunately I don't have any free money. I also owe them a little money for this

I booked them

Aww that's bad news I ordered the cash so all they have to do is trust you

Like come on I'm already spending a lot of money already

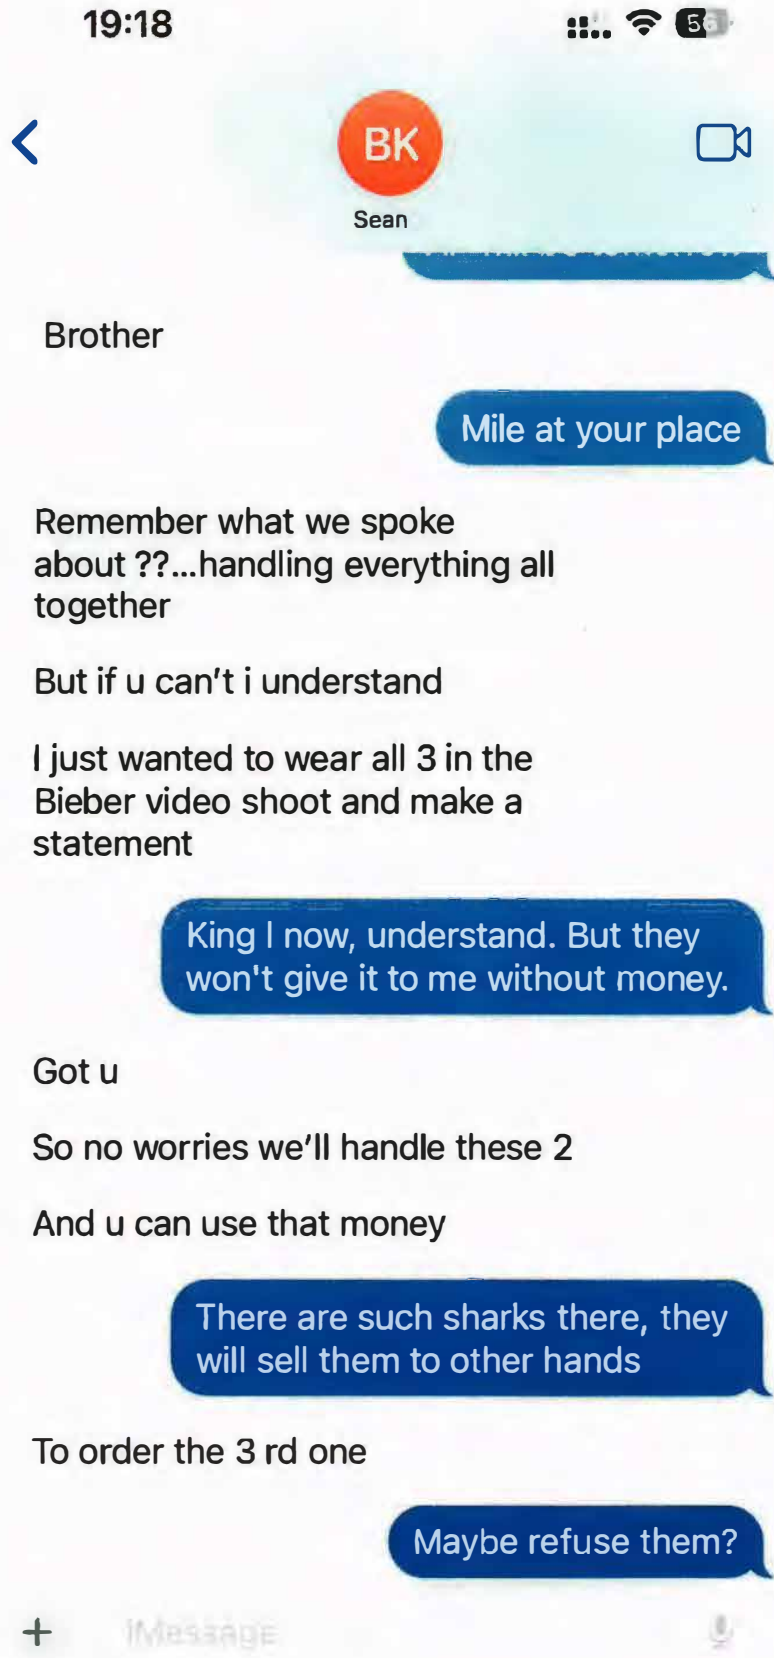

Ok. When can I get cash for Mile and AP?

AP will be tomorrow

Message

19:18

Sean >

To order the 3rd one

Wow I understand now... ok no worries let's handle these 2 watches and u can order the 3rd watch with the money I give u

My friend should now pay the deposit

That's what I was saying

I'm already paying slot

A lot

Ok

Please see if he can Just pay the deposit and get the 3rd watch and we can just handle everything 1 time

That way I can switch different watches in the upcoming music video

So Big Brother!

Love u

We are good 👍

But I need to show you the money at least for the watch I brought you yesterday

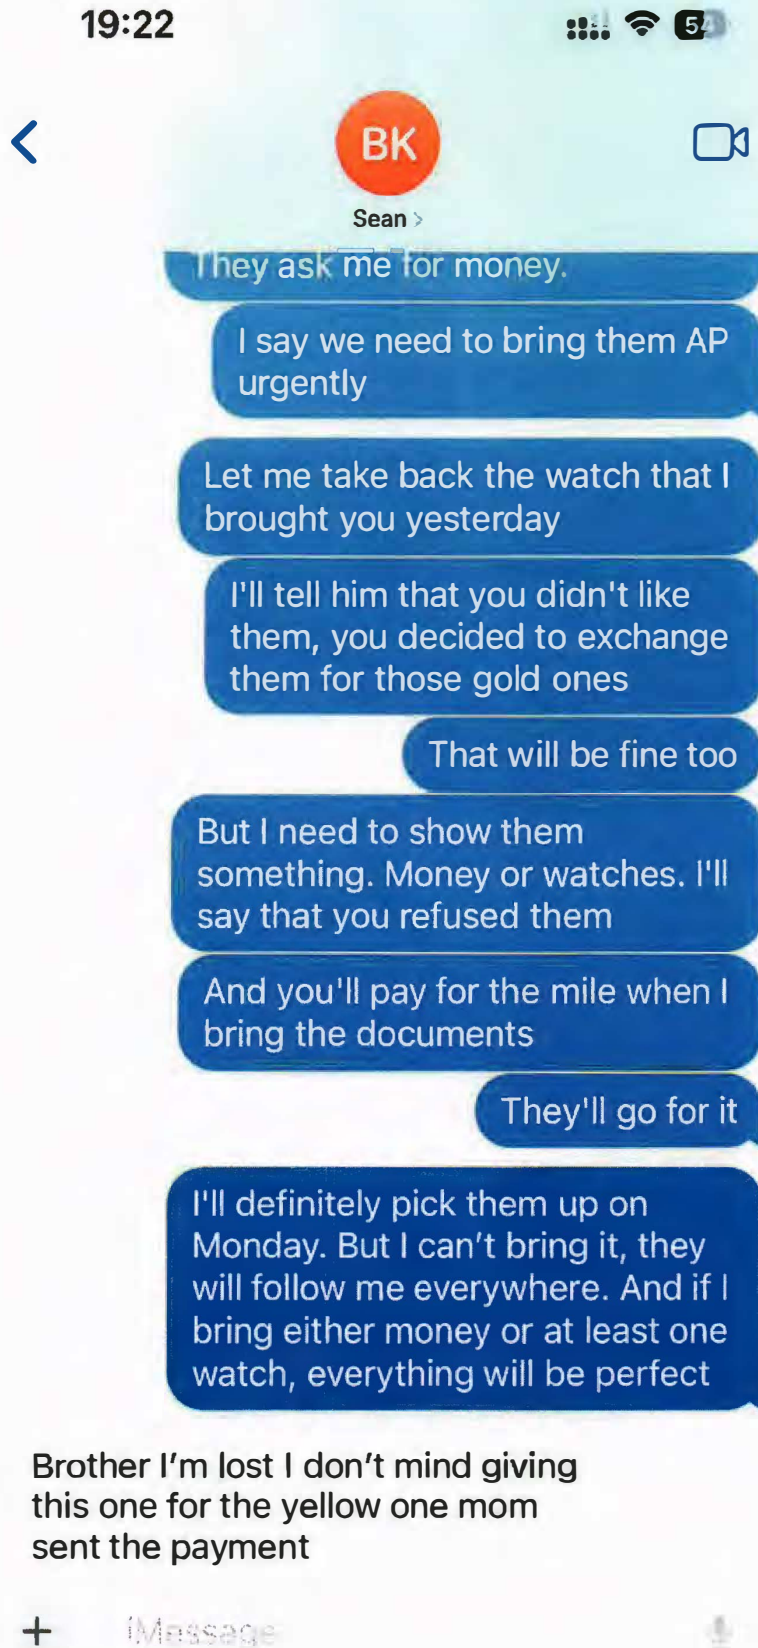

Everything else can wait

Message

19:22

Sean

You'll just send it back

But I don't want u in no trouble

So bring the other yellow one to
me and take this one back

Bro, you have no idea what kind of
people they are. I don't want him
sitting in LA with me.

We are have 2 options

1. I give him some of the money on
Monday. He flies to Dubai and I fly
to you

2. I will return yesterday's watch
to him, he flies with it to Dubai and
I fly to you. I'll tell you that you
didn't like them

If the money arrives before
Monday, that's great. But if not, I
won't be able to fly, that's 100%

It will be better for everyone to
receive money on Monday. But if
not, what then?

You have to understand that my
hands are tied.

If I don't fly to you please don't be offended

Thank you King 🙏❤️

I think you shouldn't have taken this watch, but only took that gold one.
